

Web Links

These Web links are accessible from the MTCS home page.

Documentation contains links to all MTCS user guides, technical reference manuals, and tutorials. All documentation is posted in PDF (Portable Document File) format. Documents are compressed into PDF format so the user can view or print them easily. The documentation page provides a link to download a free PDF viewer.

FAQ answers many of your frequently asked questions about MTCS.

<http://www.hud.gov/pih/systems/mtcs/faq.html>

Forums contain links to interactive arenas where MTCS users post questions, comments, or concerns. The forums provide a vehicle for two-way exchange of information. This is a good way to learn of issues and problems other users experience and to share your experience with others.

FRS 2.0 contains links to the Family Reporting Software (FRS) 2.0. The FRS 2.0 web page contains the latest version of FRS 2.0 if you need to download it. If you already have FRS 2.0 installed at your PHA, the page also contains the latest software update. For current FRS users, it contains instructions about how to use FRS 2.0 to collect, store, and transmit data to MTCS.
